Int J Gynecol Obstet, 1992, 38: 351–353
International Federation of Gynecology and Obstetrics

Subject Index

Volume 38

Abdominal pain, leiomyoma, fallopian tube, 128
Abortion, ectopic pregnancy, relative risk, pelvic surgery, reproductive factors, appendectomy, 101
Acceleration of labor, randomized controlled diet, valethamate bromide, 93
Adenosarcoma, mixed Mullerian tumor, uterus, adolescent, 119
Adolescence, strenuous exercise, oligomenorrhea, delayed menarche, menstrual irregularities, 215
Adolescent, mixed Mullerian tumor, adenosarcoma, uterus, 119
Alpha 2-macroglobulin, fetal growth, intrauterine growth retardation, 25
Amniotic band syndrome, umbilical cord, true knot of cord, antepartum fetal death, 45
Amniotic fluid turbidity, vernix, fetal pulmonary maturity, 97
Amoxycillin/clavulanic acid, pelvic inflammatory disease, triple drug therapy, 41
Antepartum fetal death, umbilical cord, amniotic band syndrome, true knot of cord, 45
Antibiotics, preterm labor, ruptured membranes, 19
Anticardiolipin antibodies, antiphospholipid antibiotics, eclampsia, microflocculation tests, 37
Antihypertensive therapy, beta-blockers, very low birthweight infants, 195
Antiphospholipid antibiotics, anticardiolipin antibodies, eclampsia, microflocculation tests, 37
Appendectomy, ectopic pregnancy, relative risk, pelvic surgery, reproductive factors, abortion, 101

Beta-blockers, antihypertensive therapy, very low birthweight infants, 195
Binocular distance, menstrual age, ultrasound, 87
Buserelin, uterine leiomyomas, ultrasonography, 52

Cardiac failure, liver cancer, pregnancy, pre-eclampsia, 235
Cervical intraepithelial neoplasia, cyrosurgery, developing country, 305
Cervical priming, induction of labor, prostaglandins, 5
Cesarean section, prematurity, vertex presentation, very low birthweight, vaginal delivery, perinatal mortality, 181
Chemotherapy, live birth, leukemia, 49
Choriocarcinoma, hydatid disease, magnetic resonance, gonadotropins, 315
Clinical trials methodology, informed consent, 227
Clomiphene citrate, endometriosis, danazol, infertility, pregnancy rates, 207
Conception, ectopic pregnancy, IUD, former IUD users, 299
Conservative surgery, pelvic relaxation, obstetric performance, 293
Culdocentesis, ectopic pregnancy, diagnosis, paracentesis, 201
Cyrosurgery, cervical intraepithelial neoplasia, developing country, 305

Danazol, endometriosis, clomiphene citrate, infertility, pregnancy rates, 207
Delayed menarche, strenuous exercise, oligomenorrhea, adolescence, menstrual irregularities, 215
Developing country, cyrosurgery, cervical intraepithelial neoplasia, 305
Diagnosis, ectopic pregnancy, paracentesis, culdocentesis, 201

Eclampsia, antiphospholipid antibiotics, anticardiolipin antibodies, microflocculation tests, 37
Eclampsia, lytic cocktail, prolonged labor, maternal mortality and morbidity, fits, 31
Ectopic pregnancy, diagnosis, paracentesis, culdocentesis, 201
Ectopic pregnancy, IUD, former IUD users, conception, 299
Ectopic pregnancy, non-surgical, treatment, 107
Ectopic pregnancy, relative risk, pelvic surgery, reproductive factors, appendectomy, abortion, 101
Elective cesarean hysterectomy, fibroids, 125
Endometriosis, clomiphene citrate, danazol, infertility, pregnancy rates, 207
Epidural analgesia, unscarred uterus, prerupture, 50

Fallopian tube, leiomyoma, abdominal pain, 128
Female genital organ, short course chemotherapy, tuberculosis, 311
Female sterilization, tubal sterilization, postoperative regret, regret, reversal, 223
Fetal bradycardia, supine hypotensive syndrome, 236
Fetal growth, alpha 2-macroglobulin, intrauterine growth retardation, 25
Fetal heart rate, high frequency change, 316
Fetal pulmonary maturity, amniotic fluid turbidity, vernix, 97
Fibroids, elective cesarean hysterectomy, 125
Fits, eclampsia, lytic cocktail, prolonged labor, maternal mortality and morbidity, 31
Former IUD users, ectopic pregnancy, IUD, conception, 299

Gonadotropins, choriocarcinoma, hydatid disease, magnetic resonance, 315
Gynecologic disorders, molecular genetics, prenatal diagnosis, 261

Harmful socio-cultural factors, preterm breech, high perinatal mortality, vaginal delivery, 287
Hemoglobin disease, severe anemia, packed red cell transfusion, maternal mortality, perinatal mortality, 83
High frequency change, fetal heart rate, 316
High perinatal mortality, preterm breech, harmful socio-cultural factors, vaginal delivery, 287
Home-delivery, perinatal mortality, perinatal morbidity, 161
Hydatid disease, choriocarcinoma, magnetic resonance, gonadotropins, 315

Illegally induced abortion, Nigeria, morbidity and mortality, physician training, law and family planning, 115
Induction of labor, prostaglandins, cervical priming, 5
Infertility, endometriosis, clomiphene citrate, danazol, pregnancy rates, 207
Informed consent, clinical trials methodology, 227
Intrauterine growth retardation, alpha 2-macroglobulin, fetal growth, 25
IUD, ectopic pregnancy, former IUD users, conception, 299

Labor, pregnancy, malaria, ruptured uterus, 231
Law and family planning, illegally induced abortion, Nigeria, morbidity and mortality, physician training, 115
Leiomyoma, fallopian tube, abdominal pain, 128
Leukemia, live birth, chemotherapy, 49
Live birth, chemotherapy, leukemia, 49
Live fetus, partial mole, persistent trophoblastic disease, 238
Liver cancer, pregnancy, pre-eclampsia, cardiac failure, 235
Lytic cocktail, eclampsia, prolonged labor, maternal mortality and morbidity, fits, 31

Magnetic resonance, choriocarcinoma, hydatid disease, gonadotropins, 315
Malaria, pregnancy, ruptured uterus, labor, 231
Maternal age, pregnancy, 281
Maternal mortality, hemoglobin disease, severe anemia, packed red cell transfusion, perinatal mortality, 83
Maternal mortality and morbidity, eclampsia, lytic cocktail, prolonged labor, fits, 31
Menstrual age, binocular distance, ultrasound, 87
Menstrual irregularities, strenuous exercise, oligomenorrhea, delayed menarche, adolescence, 215
Microflocculation tests, antiphospholipid antibiotics, anticardiolipin antibodies, eclampsia, 37
Mixed Mullerian tumor, adenosarcoma, uterus, adolescent, 119
Molecular genetics, prenatal diagnosis, gynecologic disorders, 261
Morbidity and mortality, illegally induced abortion, Nigeria, physician training, law and family planning, 115

Nigeria, illegally induced abortion, morbidity and mortality, physician training, law and family planning, 115
Non-surgical, treatment, ectopic pregnancy, 107

Obstetric performance, pelvic relaxation, conservative surgery, 293
Oligomenorrhea, strenuous exercise, delayed menarche, adolescence, menstrual irregularities, 215

Packed red cell transfusion, hemoglobin disease, severe anemia, maternal mortality, perinatal mortality, 83
Paracentesis, ectopic pregnancy, diagnosis, culdocentesis, 201
Partial mole, live fetus, persistent trophoblastic disease, 238
Pelvic inflammatory disease, amoxycillin/clavulanic acid, triple drug therapy, 41
Pelvic relaxation, conservative surgery, obstetric performance, 293
Pelvic surgery, ectopic pregnancy, relative risk, reproductive factors, appendectomy, abortion, 101
Perinatal morbidity, home-delivery, perinatal mortality, 161
Perinatal mortality, hemoglobin disease, severe anemia, packed red cell transfusion, maternal mortality, 83
Perinatal mortality, home-delivery, perinatal morbidity, 161
Perinatal mortality, prematurity, vertex presentation, very low birthweight, cesarean section, vaginal delivery, 181
Persistent trophoblastic disease, partial mole, live fetus, 238
Physician training, illegally induced abortion, Nigeria, morbidity and mortality, law and family planning, 115
Plasminogen activator inhibitor, tissue plasminogen activator, urokinase plasminogen activator, pregnancy, 9
Postoperative regret, female sterilization, tubal sterilization, regret, reversal, 223
Pre-eclampsia, liver cancer, pregnancy, cardiac failure, 235
Pregnancy, liver cancer, pre-eclampsia, cardiac failure, 235
Pregnancy, malaria, ruptured uterus, labor, 231
Pregnancy, maternal age, 281
Pregnancy, thyroid status, thyroxin, triiodothyronine, thyroxin-binding globulin, thyrotropin, 171
Pregnancy, tissue plasminogen activator, urokinase plasminogen activator, plasminogen activator inhibitor, 9
Pregnancy rates, endometriosis, clomiphene citrate, danazol, infertility, 207
Prematurity, vertex presentation, very low birthweight, cesarean section, vaginal delivery, perinatal mortality, 181
Prenatal diagnosis, molecular genetics, gynecologic disorders, 261
Prerupture, unscarred uterus, epidural analgesia, 50
Preterm birth, tocolytic therapy, 189
Preterm breech, harmful socio-cultural factors, high perinatal mortality, vaginal delivery, 287
Preterm labor, ruptured membranes, antibiotics, 19
Prolonged labor, eclampsia, lytic cocktail, maternal mortality and morbidity, fits, 31
Prostaglandins, induction of labor, cervical priming, 5

Randomized controlled diet, valethamate bromide, acceleration of labor, 93
Regret, female sterilization, tubal sterilization, postoperative regret, reversal, 223
Relative risk, ectopic pregnancy, pelvic surgery, reproductive factors, appendectomy, abortion, 101
Reproductive factors, ectopic pregnancy, relative risk, pelvic surgery, appendectomy, abortion, 101
Reversal, female sterilization, tubal sterilization, postoperative regret, regret, 223
Ruptured membranes, preterm labor, antibiotics, 19
Ruptured uterus, pregnancy, malaria, labor, 231

Severe anemia, hemoglobin disease, packed red cell transfusion, maternal mortality, perinatal mortality, 83
Short course chemotherapy, tuberculosis, female genital organ, 311
Strenuous exercise, oligomenorrhea, delayed menarche, adolescence, menstrual irregularities, 215
Supine hypotensive syndrome, fetal bradycardia, 236

Thyroid status, pregnancy, thyroxin, triiodothyronine, thyroxin-binding globulin, thyrotropin, 171
Thyrotropin, thyroid status, pregnancy, thyroxin, triiodothyronine, thyroxin-binding globulin, 171
Thyroxin, thyroid status, pregnancy, triiodothyronine, thyroxin-binding globulin, thyrotropin, 171
Thyroxin-binding globulin, thyroid status, pregnancy, thyroxin, triiodothyronine, thyrotropin, 171
Tissue plasminogen activator, urokinase plasminogen activator, plasminogen activator inhibitor, pregnancy, 9
Tocolytic therapy, preterm birth, 189
Treatment, non-surgical, ectopic pregnancy, 107
Triiodothyronine, thyroid status, pregnancy, thyroxin, thyroxin-binding globulin, thyrotropin, 171
Triple drug therapy, pelvic inflammatory disease, amoxycillin/clavulanic acid, 41
True knot of cord, umbilical cord, amniotic band syndrome, antepartum fetal death, 45
Tubal sterilization, female sterilization, postoperative regret, regret, reversal, 223
Tuberculosis, short course chemotherapy, female genital organ, 311

Ultrasonography, uterine leiomyomas, buserelin, 52
Ultrasound, binocular distance, menstrual age, 87
Umbilical cord, amniotic band syndrome, true knot of cord, antepartum fetal death, 45
Unscarred uterus, prerupture, epidural analgesia, 50
Urokinase plasminogen activator, tissue plasminogen activator, plasminogen activator inhibitor, pregnancy, 9
Uterine leiomyomas, buserelin, ultrasonography, 52
Uterus, mixed Mullerian tumor, adenosarcoma, adolescent, 119

Vaginal delivery, prematurity, vertex presentation, very low birthweight, cesarean section, perinatal mortality, 181
Vaginal delivery, preterm breech, harmful socio-cultural factors, high perinatal mortality, 287
Valethamate bromide, randomized controlled diet, acceleration of labor, 93
Vernix, amniotic fluid turbidity, fetal pulmonary maturity, 97
Vertex presentation, prematurity, very low birthweight, cesarean section, vaginal delivery, perinatal mortality, 181
Very low birthweight, prematurity, vertex presentation, cesarean section, vaginal delivery, perinatal mortality, 181
Very low birthweight infants, antihypertensive therapy, beta-blockers, 195
